Usui Shiki Reiki Ryoho, Master level

This is the traditional healing lineage of Reiki founded by Usui Sensei in Japan, transmitted to Cujiro Hayashi, then to Mrs. Hawayo Takata, who brought this healing technique to the United States. She initiated 22 Reiki masters in the U.S., and my instructor, Christopher Matsuo, received his initiation from 6 different masters in her line.

Tenchi Shiki Reiki Ryoho, Master level

This is a martial art lineage of Reiki, direct from Japan, which contains a more comprehensive understanding of Reiki and its Tibetan roots. Founded by Usui Sensei in Japan, this line was transmitted to the Hirai family, who initiated Hidetoshi Mitsuoka, who then initiated my instructor, Christopher Matsuo. I also received Reiki attunements directly from Mitsuoka Sensei, when we sponsored him to come to the Honolulu to teach. These 3rd generation and 4th generation attunements greatly expanded my understanding and awareness of this healing approach.

Karuna™ Shiki Ryoho, Master level Karuna Reiki was channeled / developed by William Rand, and I learned this lineage through Sifu Christopher Matsuo.
